

# ALTERNATIVE HOLIDAY SALE 2024

Dear Vendor,

The Peace Education Center is pleased to announce the return of the Alternative Holiday Sale for 2024. This event offers the Greater Lansing community a chance to connect, shop, and support local businesses, nonprofit organizations, and fair-trade cooperatives. Held at Edgewood United Church, the sale provides a warm and welcoming atmosphere for browsing unique, high-quality items offered by local vendors and specialty goods made by local artists.

We are excited to bring back food and music this year! Meals and snacks will be available for purchase, and we've partnered with Ten Pound Fiddle to feature a live concert by one of our favorite musicians, Reggie Harris!
